## Missionary to Peru

### BUS ROUTES AND MISSIONS

Praise the Lord we have purchased one 20 passenger van for our bus routes! We are still looking for one more van to buy. My bus route is growing every week. I had 17 people in my 7 passenger car on Sunday. Please pray that we will find the second van to buy soon as we desperately need it. I am also praying about selling my car. When we have the van for the bus route, I will not need such a big car for my own use. My car is also getting older even for Peruvian standards. It is 16 years old. So I am praying that I can sell it and buy a smaller car that is newer and won't need many repairs. Please pray that God will give me wisdom in these decisions.

We had our missions conference in August. It was a blessing to see the church members grow in their burden for missions. We took faith promise pledges during the conference and, praise the Lord, the people pledged twice as much for missions as they did last year. Please pray that the church will continue to grow in their burden to reach the world and that the people will give faithfully to support missionaries from our church.

Please continue to pray for the burden we have to start a Christian school from our church. I am very burdened for this ministry opportunity and praying for God's direction. The biggest need we have right now is to find a building that we can rent that will fulfill the government's requirements for a school. We have not been able to find anything in our price range yet, and the deadline to have the building approved is in October. Please pray that we will either find the right place to rent or that God will give us wisdom to wait for one more year for this ministry.

### TEEN MINISTRIES

Please pray urgently for one of our teen girls named Estefany (Stephany) She is the girl that is sitting in front of me in this picture. Estefany has been coming faithfully on the Leguia bus route. She has been in the hospital for almost a month now with a rare form of meningitis. Please pray that she will continue to recover and that she will regain the feeling and use of her lower body without the need for brain surgery. Also, pray for Estefany's parents as they are not saved, and we are trying to minister and witness to them through this trial in their lives.

Also pray for the 20– 30 teens who are coming faithfully to our church. Several of the teenagers have been saved and are starting discipleship. I am discipling a girl named Diana, and I will also start to disciple other girls soon. Pray that they will continue to grow spiritually in this tender age, and that they will be faithful to the Lord as they grow into young adults.

### PRAYER REQUESTS:

- Wisdom to find and buy one more van for the bus routes.
- Wisdom to sell my current car and buy a newer car.
- Missions program growth and faithfulness as a church.
- School ministry wisdom for how and when to start our kindergarten classes.
- Estefany (Stephany) recovery from Meningitis
- Estefany's parents—salvation
- Teenagers—salvation, discipleship, and spiritual growth.
