Missionary in Peru

MINISTRY UPDATES

Praise the Lord we have now purchased two vans for our bus routes. The bus route ministry has been a great tool for evangelism. My route is full every week and along with the children I also have two mothers who are regularly coming. Please pray that God will continue to bless this ministry with new contacts and with safety each week.

The teen ministry is also growing. Many teens come on my bus route and the teen Sunday school class regularly has 20-25 students. I also help to run Saturday teen activities that are growing and filling the need that teens have for fellowship. The teen years are very important as they are forming their ideals and priorities for adult life. They are excited about church services, their Sunday school classes, and activities. Please pray for them to continue to grow spiritually and pray that they will not be distracted by the necessary activities of life and temptations of this world. I also work discipling teens and young people. I was recently able to lead a girl from my bus route to the Lord. Her name is Diana, and I am now discipling her.

We are holding a conference this week with the four Baptist churches in Tacna. We are studying how to refute Calvinism and what the Bible teaches that contradicts with their 5 main points. Many churches throughout Peru and South America have been affected by Calvinistic teachings, and so this conference is very important for us. We always want to study and know the truth from God's Word.

SUMMER PLANS

I am helping to plan our Vacation Bible Schools this year. We are planning on holding Vacation Bible Schools in two to three locations. Our goal is always to give the children a clear presentation of the gospel. Please pray for many children and parents to be saved through this ministry. We also desire to follow up with the children through the kid's Bible clubs and the bus routes so that they can continue to learn from God's word and grow spiritually.

We are also working to plan our teen camp. This is the second year that we will have teen camp with the four churches here in Tacna. By planning the program ourselves we are able to keep the cost down, we don't have to travel many hours to camps held in other cities, and more teens are able to come. Teen camp is a great week. Every year teens make decisions that affect their lives. It can be a great time of spiritual growth for them. Please pray for our teens as they go to camp in February.

NEW WEBSITE

I have been praying about setting up a website for several years. God sent a fellow missionary, Steven Reyes, who was willing to help me set up a web domain and to teach me the basic program to build a wordpress website. I now have my website up and working. Please go to www.bethanyhoman.com and look at the ministry updates that I have posted there. I am also posting my prayer letters on the website. If you would like to get a weekly email with my new posts and prayer letters please sign up on my website.
