Summer Activities

This summer we held several activities that God blessed greatly. This is the second year that we have held summer camp for the Tacna area churches. I was able to work at camp as a counselor for the ladies. God allowed me to lead one girl to the Lord, and also to help counsel several girls with important life decisions. Please pray for the teens who made decisions for the Lord at camp that they will be faithful in their decisions.

We also held Vacation Bible School in several locations. We decided to split into three groups this year and run the VBS program in three locations during the same week. I was in charge of the group in Viñani. We also had teams in Habitat and in Leguia.

We taught Bible lessons with a clear plan of salvation in each lesson. Several children responded during our invitations, and 4 new children

came on the bus route on Sunday. Please pray as we follow up with the children and families from the VBS program.

Please also pray for Michelle who has to have jaw surgery and for Jared who was injured when his thumb was crushed.

lessons. Please pray that God will continue to bless the open door I have with these children.

I am also starting up my Saturday afternoon Bible club in Viñani again. This has been a great way to reach kids who can not come on our bus route. I pray that God will bless this ministry also.

New Ministries

I have been praying for many years about starting a deaf ministry. In January, I finally made some contacts in the deaf community here in Tacna by finding the deaf association of Tacna. We invited an interpreter from Arequipa to come and hold a sign language conference at Calvary Baptist Church. We had a great turnout of hearing people who want to learn sign language and of deaf people who want to learn more from the Bible. I have been able to

start a weekly Bible study for the deaf every Thursday night. God is blessing this new ministry and we are averaging 10 people for our Thursday meetings. I am looking into starting sign language classes for the hearing in the next couple of months.

I have received permission to give tutoring and English classes in the local state orphanage. They have given me liberty to teach Biblical concepts along with the
